

ELECTRIC SUPPLY CONTRACT SUMMARY

You have purchased an electric supply product from CleanSky Energy. Your electric utility will continue to deliver the electricity you use to your home.

Price	19.49 cents per kWh. This does not include the price that your electric utility will charge you for the delivery component of your electric service.				
Term	The above price will remain constant for 24 months. Your requested start date will be the date that you request(ed) during the enrollment .				
Early Cancellation Fee	If you cancel your contract prior to the end of its term, you will be charged a fee of \$150.00 Cancellation Fee.				
Automatic Renewal	Your contract will automatically renew to a new price at the end of the contract term unless you inform CleanSky Energy otherwise. The new price may be higher or lower than the existing price. CleanSky Energy will contact you no later than 30 days before each automatic renewal to notify you of your supply options.				
Renewable Energy Content	The Commonwealth of Massachusetts requires that all electric supply products include a minimum of 58% renewable energy resources. This product meets the minimum requirement.				
Incentives	Please see Terms of Service, if applicable.				
Rescission Period	You have 3 days to cancel this contract free of charge from the time you receive your contract and terms and conditions.				
Competitive Supplier Information	CleanSky Energy, DPU license number: CS-177, (888) 355-6205, <u>www.cleanskyenergy.com</u> . CleanSky Energy is only responsible for the electric generation portion of your bill.				
Electric Utility Information	National Grid will continue to deliver the electricity that you use in your home and is responsible for the delivery charges that appear on your monthly bill. If you have questions about the delivery portion of your bill, contact National Grid at (800) 322-3223, or by visiting its website at https://www1.nationalgridus.com/Massachusetts.				

The Massachusetts Department of Public Utilities recommends that consumers visit the Energy Switch website to view the broad range of available electric supply products, including your electric utility's basic service price. You can visit the website at http://energyswitchma.gov.
