

Contract Summary: Simple Clean Power 24		
Energy Generation Supplier Information	**Titan Gas and Power** 1-888-355-6205 | Hours of Operation: M-F, 9:00 a.m. to 7:00 p.m. EST titangasandpower.com |CustomerCare@TitanGasAndPower.com Electricity License: A-2016-2530633 | Natural Gas License: A-2008-2054272	
Product Information	**Generation/Supply Price:**	**7.08** ¢ per kWh
	Price Structure:	Fixed
	Contract Term:	24 Months. The terms shall begin on the date determined by the EDC as the 'Effective Date' and will continue for that specified duration of billing cycles.
	Contract Start Date:	Your service with Titan Gas and Power will begin as of the next available meter read date with your Electric Distribution Company (EDC) or Natural Gas Distribution Company (NGDC).
	Base Fee:	$0.00 per meter per month
	Early Termination Fee:	$150.00 Cancellation Fee
	Renewal Terms:	If you have a fixed term agreement with Titan that is longer than 3 months and it is approaching the expiration date, Titan will send you two advance notices in separate mailings at approximately 45-60 days and 30 days before the expiration date. Titan Gas and Power will explain your options in this advance notice. Following the term of your Agreement, service will continue for successive one (1) month periods on our variable Price Plan if no alternate option is selected prior to the expiration of the original term. If you cancel service with Titan after the expiration of your contract term, you will not be charged an early termination fee.
	Statement Regarding Savings:	Depending on the Penelec's Price to Compare over the duration of this contract, this supply price may not provide savings to you for every billing cycle of the term. Savings are not guaranteed with this contract.
Energy Distribution Company Information	Penelec | Pennsylvania Electric Company (Penelec) 7 S. Main St., Akron, Ohio, 44308 1-800-686-0021 https://www.firstenergycorp.com/penelec.html
